***Promoting the Sanctity of all Human Life  
From Conception to Natural Death***

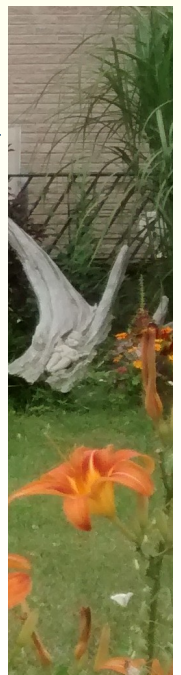

*Our KW RTL Board Meeting Sat. June 20<sup>th</sup> was great. We discussed, while distancing, some important decisions going forward. The KW RTL Office will remain closed for awhile until things improve with COVID19.*

### ***Tribute by Brendan Kavanaugh***

*On Saturday June 20, 2020, Cecil James Kavanaugh was "Celebrated" by the KW Right to Life Association for 27 years of committed fund raising and support! Cecil Kavanaugh is a retired Principal with the Waterloo Region Catholic School Board, where he worked faithfully for 32 years. Upon his retirement, Cecil reached out to the KW Right to Life Association, to ask how he could help the Pro Life Movement. What proceeded was 27 years of being the Top Fund Raiser every year, raising close to 50% of the total amount collected in each of those years!!*

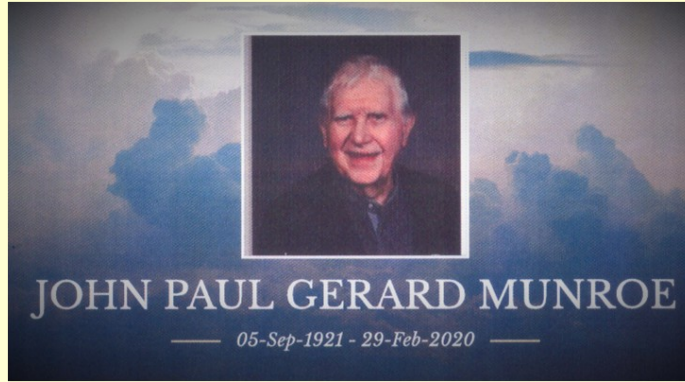

*"That is extraordinary!!" He spend countless hours calling everyone he knew and collecting the money, knowing how important The Pro Life cause is in saving the lives of precious, innocent babies in the womb!*

*Cecil Kavanaugh is a devout Catholic Christian, married almost 59 years to his beloved wife Doris. They have 6 children, 10 grandchildren and 6 great grandchildren. One of Cecil's daughters, Colleen, was born with Down syndrome and is considered by Cecil and Doris as an "Angel from Heaven" in the family! Cecil is quoted as saying that Colleen was a major influence in his decision to volunteer his services to the KW Right to Life. What makes Cecil James Kavanaugh such an amazing Christian man, is that, like his Lord and Savior Jesus Christ, Cecil is a "Servant Leader"! Being a Servant Leader is the Greatest kind of Leadership!! Cecil is a soft spoken, caring, compassionate, loving man who quietly serves others, never seeking recognition for himself. Finally, Cecil James Kavanaugh is my role model, hero and I'm Honoured to call him my wonderful Dad!!*

*John Paul Munroe volunteered for many decades in solidarity with the local prolife community, participating at all events. He was an activist and prayer warrior, a demonstrator and fearless in the face of opposition. He was a friend and truly a great man. John Paul, may your soul rest in peace.*

*Katie Ruetz: We lost a wonderful prolife person this past May, Catherine Ruetz. Some of you may remember her dedication to KW Right to Life along with her late husband Bert, who taught me a lot about the history of the prolife movement in this area when I was younger. I remember many times listening to their wise words that helped form me to serve in the movement. Katie, for many years, along with her late husband Bert, faithfully supported KW Right to Life, and was an inspiration and example to many in the prolife movement. We thank God for the gift of her life. Jane Richard KW RTL President*

***We are living in a revolutionary  
time that is not wholesome, not just  
the pandemic, but also the toxic  
political environment. There seems  
to be few in civic authority that can  
be trusted to care for the common  
good. That leaves us with uncer-  
tainty about everything, along  
with a lot of anxiety and fear.***

***We turn to a higher authority that  
we can trust. We claim the authority  
of Jesus Christ to help us through,  
as only He has the true power.  
We look to political leaders that  
share our values about life issues to  
be our best hope. Support politicians  
that are unafraid to talk  
about prolife issues in  
public and as part of  
their platform. We have  
everything to lose if we  
do not.***
